

DIRECTIONS:

From North U.S. Hwy 75 (Central Expressway): Go south on U.S. Hwy 75. Exit Haskell/Lemmon. Turn left onto Lemmon Ave going over the overpass and get into the far right lane. At the first traffic light, turn right onto Washington Ave (light at intersection). Continue past Worth St. The Baylor Landry Center is on the right side.

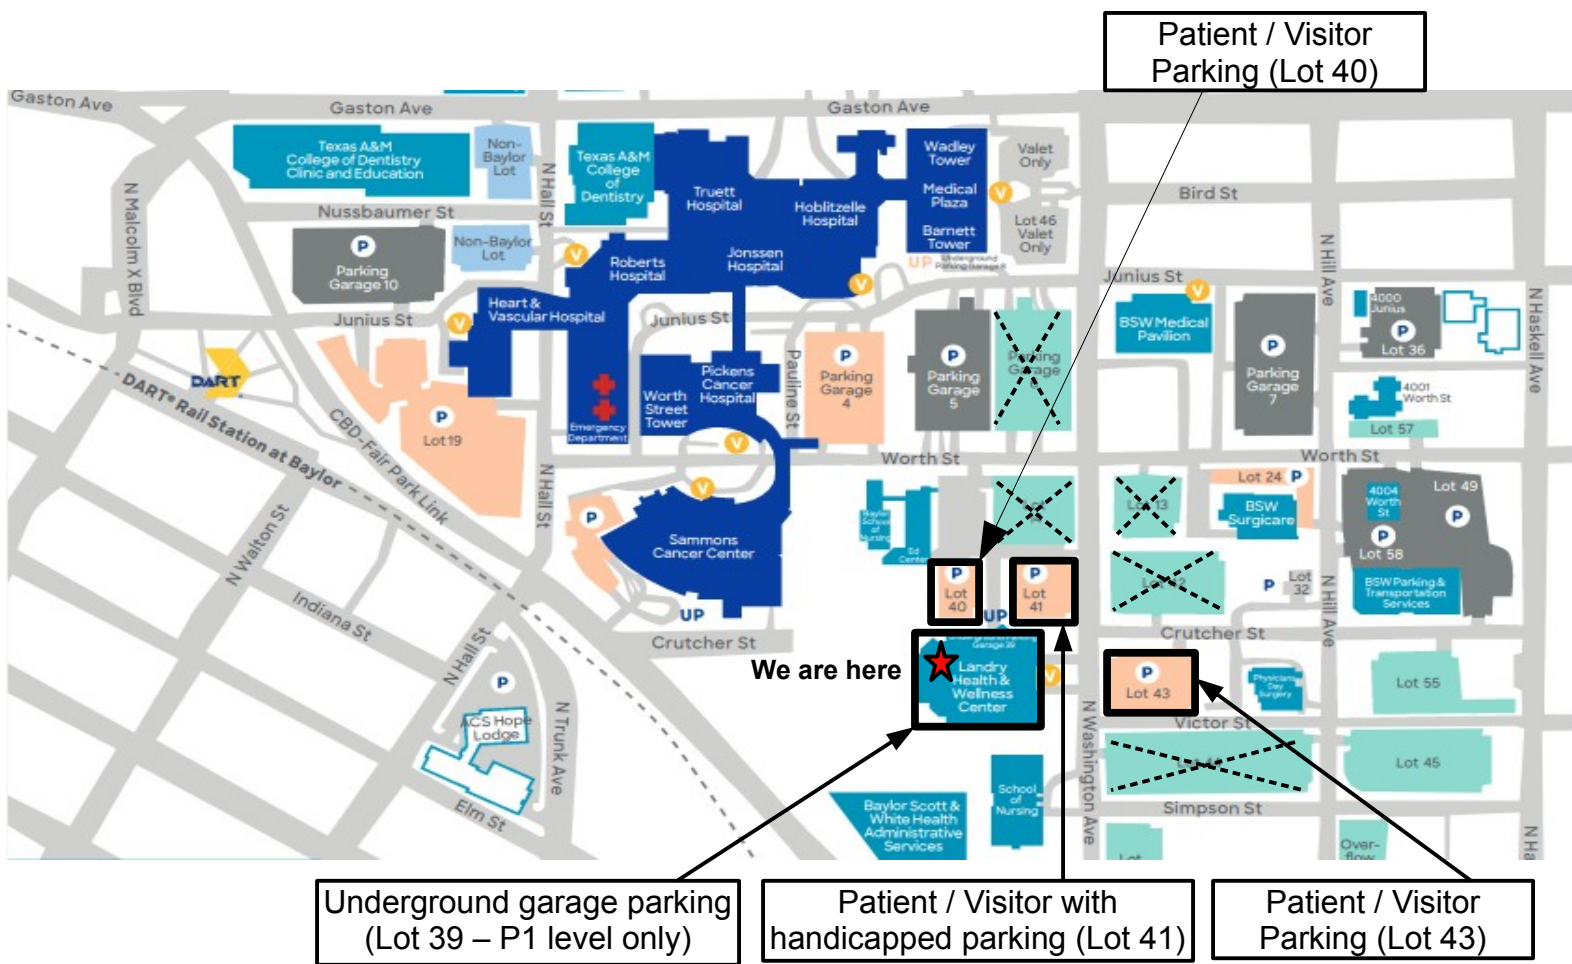

From North Dallas - Tollway: Take the tollway south and merge onto I-35. Once on I-35, continue to I-30 eastbound and follow instructions for I-30.

From I-35: Follow I-35 to I-30 eastbound, then follow instructions for I-30.

From I-45 (becomes U.S. Hwy 75): Travel north on I-45 and take I-30 eastbound. Follow instructions for I-30.

From I-30: Exit Carroll-Peak-Haskell (Exit 48A). Turn onto Peak St (Peak is a one way street), then turn left on Main St. Turn right onto Washington Ave (no light at intersection; if you get to the Dart Rail train tracks you have gone too far). The Baylor Landry Center is on the left side.
